## GENERAL INFORMATION

### **ANNUAL NOTICE TO PARENTS**

In compliance with state and federal law, the Reynolds School District will provide to each protected handicapped student without discrimination or cost to the student or family, those related aids, services or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities to the maximum extent appropriate to the student's abilities.

In order to qualify as a protected handicapped student, the child must be of school age with a physical or mental disability which substantially limits or prohibits participation in or access to an aspect of the school program.

These services and protections for "protected handicapped students" are distinct from those applicable to all eligible or exceptional students enrolled (or seeking enrollment) in special education programs.

For further information on the evaluation procedures and provision of services to protected handicapped students, contact the Special Education office at **724-646-5600 ext. 5533**.

### **ATTENDANCE AND TARDINESS**

The Board requires that school age students enrolled in district schools attend school regularly, in accordance with state laws. Absences shall be treated as unlawful until the district receives a written excuse explaining the absence, to be submitted within three (3) days of the absence. If no excuse is brought within three (3) school days, it will be considered an unlawful absence. A maximum of ten (10) days of cumulative lawful absences verified by parental notification may be permitted during a school year.

~~See attached excuse example at the end of this section.~~ All absences beyond ten (10) cumulative days shall require an excuse from a licensed physician or school nurse. You may bring your child to school to have our nurse excuse him/her. Students who accumulate more than three unlawful absences may be required to appear before the district magistrate for an attendance hearing and/or receive other appropriate disciplinary action. Students are expected to complete assignments within one day of their return to school, unless other arrangements have been made with the teacher.

Students will not be permitted to participate in any school activity or practice on the day of their absence from school.

According to the Board Policy #204, the following are considered excused absences for all or part of the school day:

1. **Observance** of religious holidays
2. **Religious** instruction (not to exceed 36 hours during the school year)
3. **Educational** travel (maximum of 5 school days per year) with pre-approval.
4. **Health** care (medical or dental appointments that cannot be made during non-school hours)
5. **Tutorial** work in an area not offered by the school
6. **Illness** or other urgent reason such as
  - a. quarantine

- b. recovery from accident
- c. required court attendance
- d. death in family
- e. family educational trips with pre-approval from superintendent
- f. educational tours and trips with the school

**Report Times**

**Teachers report/depart 8:25 A.M. - 3:55 P.M.**

**Students 8:30 A.M. - 3:30 P.M.**

~~The official starting time for students is 8:30 A.M. Students arriving after 8:45 A.M. will be marked tardy.~~ Students arriving after 10:30 A.M. or leaving before 2:00 P.M. will be considered absent for ½ day. **Refer to Reynolds School District Policy No. 204.**

**PERFECT ATTENDANCE**

In order to receive the school Perfect Attendance Award, a student cannot have any absences, excused or otherwise. They also may not come in late or leave early.

**BICYCLES/WALKERS**

The Board regards walking, or the use of bicycles and motor vehicles for travel to and from school by students as an assumption of responsibility by parents and students.

**BUS DISCIPLINE**

Riding a school bus is a privilege. Students who have discipline problems on the bus may have their riding privilege suspended by the building principal. The parents/guardians of suspended students are responsible for transporting their children to and from school safely. Bus drivers will report any discipline problems to the Transportation Office on the Bus Conduct Report Form. Copies of all reports will be sent home to the parents/guardians. The following procedures/consequences will be followed:

**Driver Warnings:** All driver warnings must be documented and submitted to the Transportation Office.

**First Offense Notice:** Special seating may be determined by the driver. A review of the bus videotape and a call to the parent/guardian will be made by the Principal’s Office. Major offenses (fighting, use of alcohol or tobacco products, etc.) will be handled as second or third offense notices, depending on the incident.

**Second Offense Notice:** A student conference will be held with the building principal. A warning will be given by the principal. If founded, consequences will be determined by the principal. (Examples: Loss of recess; after school detention; in-school suspension, etc.)

**Third Offense:** A student conference will be held with the building principal. If founded, a minimum 2 day suspension of riding privileges will be invoked.

**Fourth Offense:** A student conference with the building principal. If founded, a minimum 5 day suspension of riding privileges will be invoked.

**Fifth Offense:** A student conference will be held with the building principal, driver and transportation supervisor. If founded, a minimum 10 day suspension of riding privileges will be invoked.

**Sixth Offense:** An administrative hearing will be held to determine the length of suspension of riding privileges.

It should be pointed out that no student is exempt from the compulsory attendance laws during the period of time that a transportation suspension is in effect.

Should a student be absent during the suspension period, the suspension date is extended to cover days absent. Refer to Reynolds School Board Policy No. 810.

### **CANINE (K9)**

**In an effort to maintain a drug-free school environment and protect the health and welfare of students and others, the School Board authorizes the use of trained canine (K9) units to (1) detect the presence of illegal controlled substances in the school buildings and on school premises; and/or (2) to protect the health and welfare of students and others.**

**Canine (K9) units may be used without prior notification to students and/or school personnel.**

**Canine (K9) searches may include, but are not limited to, the passive/cursory sniffing of the lockers, vehicles parked on school property, or any other areas of school property as outlined by the standard operating procedure.**

**Students are not permitted to touch (pet), interact, make demands and/or inquiries of or towards the canine (K9) unless asked to do so by the handler. Feeding of the canine (K9) is strictly prohibited. A student may not attempt to or assault, harass, interfere with, kill or injure the canine (K9) in any way. "Harass" means any conduct intended to or directed at the canine (K9) that impedes and/or interferes with the animal's performance or its duties.**

**ALL STUDENTS ARE TO BE AWARE THAT A CANINE (K9) IS CLASSIFIED AS A POLICE OFFICER IN THE COMMONWEALTH OF PENNSYLVANIA AND SHOULD BE TREATED AS SUCH.**

### **CARE OF SCHOOL PROPERTY**

**Students are responsible for the proper care of all books, supplies, and furniture supplied by the school district. Lost or damaged textbooks or library books must be paid for by the student. Students who write graffiti, disfigure property, purposely waste supplies, or do other damage to school property will be required to pay for the damage. Show your pride in being a Reynolds Raider by treating books with care and helping to keep our building safe, clean, and attractive. Refer to Reynolds School District Policy No. 224.**

### **COMPUTER-INTERNET ACCESS AND ACCEPTABLE USE**

**Computer and Internet access are available to students and employees in the Reynolds School District. The Reynolds School District believes that the value of the educational information available on the worldwide network far outweighs the possibility of misuse by a minority of users. Reynolds School District Policy No. 819 regulates internet use. In order to use district computer equipment, all students and teachers must sign and return an Acceptable Internet Use Policy. Refer to Reynolds School District Policy No. 819.**

### **CONDUCT AT DISTRICT ACTIVITIES AND ATHLETICS EVENTS**

**Students are to behave appropriately at all district activities and athletic events. All rules followed in school must be adhered to during the activities/events. Students may be suspended from all Reynolds School District events if their conduct is not acceptable. Courtesy must be shown toward all opponents and officials.**

### **CONFIDENTIALITY POLICY**

**The Reynolds School District has adopted a confidentiality policy to ensure the privacy of**

information contained in student records. The complete policy is on file in the high school guidance office and the school psychologist's office. **Refer to School Board Policy No. 207.**

### **CORPORAL PUNISHMENT**

According to school board policy and state law, corporal punishment is not permitted as a disciplinary measure. Should other means of improving a student's behavior prove ineffective, the student may be excluded from school and school activities/events. **Refer to Reynolds School Board Policy No. 218.**

### **DETENTION (After School)**

After school detention may be assigned to students who fail to respond to normal methods of correction. Detention will be assigned from 3:30 PM until 5:00 PM. It is the responsibility of the student to come to detention prepared with schoolwork. Not having school assignments is not an excuse.

Parents will be notified by phone and mail of the assignment. Parents are responsible for the student's transportation and may pick-up the student at **5:00 PM (Door F)**. Any student who is left at after school detention after **5:00 PM** will become part of the YMCA child care program and paying the appropriate fee associated with the program. Parents will be responsible for picking up their child at the YMCA room (**Door J**). If you need child care after this time, please contact the YMCA childcare program at (724)981-6950 to make arrangements for your child's care.

If the student cannot attend an assigned detention, the parents should notify the principal by phone. If the student fails to report for an assigned detention without the parents contacting the school, progressive discipline may be assigned. **Reference Reynolds School District Policy No. 218.**

Each teacher has his/her own set policy on homework. The amount of homework will vary with the individual class, student and/or grade level. A general rule of thumb is approximately 10 minutes per night, for each year of school. (Example: Grade 2: 20 minutes)

Each student has the responsibility to complete homework assignments and turn them in on the day designated by the teacher. Failure to complete assignments could result in lower grades and/or loss of privileges.

When returning from an absence, students must complete homework requested by the teacher. It is the student's responsibility to confer with the teacher about homework. Students who are absent but are able to do homework may have such work sent home to them with another student. This work may also be picked up in the office by parents before the end of the day. If homework is to be sent home or picked up, parent or guardians should call the school office before 12:00 noon or send a note with another student.
